Metropolis

Clark Kent lives in Metropolis.
He writes about the city's crime.

Clark likes his job at the
Daily Planet.

His friends there are nice.

Jimmy Olsen takes photos.

“Smile,” he says when his flash
shines brightly.

Lois Lane is a writer, too.

She doesn't hide from danger.

It finds her wherever she is!

Lois and Jimmy think
that Clark is a shy guy.
But Clark doesn't mind.

Clark has a secret life.

He is Superman!
